Research Papers/Posters Presented and Invited Presentations

Research

Dumo P, Saad L, Zhao J, Zhao Y, Berlie H. Improving the safety of a statin interchange program.

The American College of Clinic Pharmacy Spring Practice and Research Forum

April 2005

Myrtle Beach, SC

Dumo P, Racine E, Popovic B, Gortney J. Improving bridge-out therapy with low-molecular-weight heparin in an urban, inner city medical center.

The International Society on Thrombosis and Haemostasis XIX Congress

July 2003

Birmingham, England

Dumo P, Knapp E, Wesley G. Inappropriate metformin use in hospitalized patients.

American Diabetes Association Annual Meeting

June 2003

New Orleans, LA

Dumo P, Saad L, Vichiendilokkul A, Tran A. Increased risk associated with a statin interchange program.

American College of Cardiology Annual Meeting

March 2003

Chicago, Illinois

Dougherty J, Gortney JS, **Dumo P**. Development and implementation of a transitional orientation experience for Pharm.D. student prior to longitudinal clerkship experiences.

American Society of Health Systems Pharmacy

December 2002

Atlanta, Georgia

Dumo P, Dougherty J, Shieh M, Sharif R. Comparing the impact of clinic pharmacists on vaccination rates in medicine, surgery, and infectious disease services: a randomized, controlled trial.

Platform Presentation

American College of Clinical Pharmacy Annual Meeting

October 2002

Albuquerque, New Mexico

Knapp E, **Dumo P**. An analysis of appropriate and inappropriate metformin use in hospitalized patients.

Poster Presentation

American College of Clinical Pharmacy Annual Meeting

October 2002

Albuquerque, New Mexico

Dougherty J, **Dumo P**, Milad A, Racine E. Assessment of blood pressure control in a therapeutic interchange program when converting from extended-release nifedipine to amlodipine in the inpatient setting.

Poster Presentation

American College of Clinical Pharmacy

April 2003

Palm Springs, California

Dumo P, Sobotka P. Impact of a pharmacist-managed patient assistance program (PAP) on cholesterol levels in an indigent population.

Poster Presentation

American Society of Health-Systems Pharmacists Midyear Meeting

December 2001

New Orleans, Louisiana

Dumo P, Sobotka P. Impact of a pharmacist-managed patient assistance program (PAP) on uncontrolled blood pressure (BP) in an indigent population.

American College of Clinical Pharmacy Annual Meeting

October 2001

Tampa, Florida

Dumo P, Sobotka P. Performance of pharmaceutical companies in an indigent patient assistance programs in a cardiology/endocrinology clinic.

Poster Presentation

American College of Clinical Pharmacy Annual Meeting

October 2000

Las Angeles, California

Dumo P. Implementation of a patient assistance program in a cardiology/diabetes clinic.

Poster Presentation

American Society of Health-Systems Pharmacists Midyear Meeting December 2000

Las Vegas, Nevada

Dumo P, Khalik Y. Development of a database on antimicrobial prescribing and resistance patterns febrile neutropenic hematology patients.

Poster Presentation

American College of Clinical Pharmacy Spring Research Forum March 1996

Monterey, California

Invited Presentations/Seminars

University Learning Program
Topic: Pharmacotherapy of HIV
September 2007
Seneca, NY

Michigan Pharmacists Association Annual Convention
Topic: Pharmacotherapy for Diabetes – Focus on Issues in the Elderly
February 23, 2007
Dearborn, MI

Oakland County Pharmacists Association
Topic: Update on the Pharmacotherapy of Diabetes
January 11, 2007

University Learning Program
Topic: Update on HIV and Devices for Diabetes
December 14, 2006
Las Vegas, NV

South Eastern Society of Health-Systems Pharmacists
New Treatment for Diabetes – Implications for the Hospital Pharmacist
May 10, 2006
Detroit, MI

Diabetes Certificate Program
Topic: Pharmacotherapy of Diabetes
April 20, 2006
Grand Blanc, MI

Glucose Management in the Hospital Setting
Feb 15, 2006
Little Rock, AK

University Learning Program
Topic: Update on diabetes and its treatment
Feb 8, 2006
Las Vegas, NV

American College of Clinical Pharmacy Annual Meeting
Topic: Progress and Controversy in the Treatment of DVT
Date: October 25, 2004
Dallas, TX

“How Sweet it Is” A five-part, five hour diabetes continuing education program
Topic: Diabetes management in the hospitalized patient
August 2004-October 2004
Harper University Hospital, Detroit, MI

Michigan Pharmacists Association Vacation Education
Topic: Anticoagulation and the Outpatient – Bridging the Gap
Date: August 14, 2004
Traverse City, MI

American Society of Health Systems Pharmacy Midyear Meeting
Topic: Diabetes Gadgets and Gizmos
Date: Dec 11, 2003
New Orleans, LA

Michigan Society of Health Systems Pharmacy Annual Meeting
Topic: Update on insulin
Date: November 16th, 2003
Lansing, MI

American College of Clinical Pharmacy Annual Meeting
Topic: Meet the Experts Luncheon – Starting up a patient assistance program
Date: November, 2003
Atlanta, GA

Ohio College of Clinical Pharmacy Pharmacotherapy Update
Topic: “So your patient can’t pay for their medications”
Date: May 16th, 2003
Columbus, Ohio

Diabetes Day 2003
Audience: Lay public
Topic: Heart Healthy Medications
Date: April 12th, 2003
Dearborn, MI

Southeastern Michigan Society of Health Systems Pharmacy
Topic: Heart Disease and Diabetes: Getting to the Heart of the Matter
Date: April 9th, 2003
Southfield, MI

Michigan Pharmacists Association Annual Meeting
Topic: Insulin Update: Using old and new insulins for better patient outcomes
Attendance:
Date: February 22nd, 2003
Dearborn, MI

Topic: Glucose management in the hospitalized patient: Time to rethink old approaches
Attendance:
Date: December 10, 2002
Atlanta, Georgia

American Society of Health Systems Pharmacy
Topic: Alternative therapies and cardiovascular disease: Getting to the heart of the matter.
Date: December 11, 2002
Location: Atlanta, Georgia

ACCP Ambulatory Care Focus Session
Topic: Cultural Competency – A systems perspective
Date: October 21, 2002
Location: Albuquerque, NM

SMSHP Lecture Series
Audience: Pharmacists
Topic: Diabetes in 2002 – Coming full circle
Audience: 80
Date: May 8, 2002
Location: Southfield, MI

Effective Diabetes Care for Adults 2002
Audience: Patients living with diabetes
Topic: Update on Pharmacological Management
Attendance: 80
Date: April 13, 2002
Location: Southfield, MI

DMC Diabetes Update
Topic: Update on pharmacotherapy for diabetes
Audience: Nurses, physicians, dietitians
Attendance: 50
Date: January 15, 2002
Location: Kresge Auditorium, Harper Hospital

Diabetes Care Conference for Health Professionals 2001
Topic: Update On Oral Agents and Insulin
Audience: Nurses, dietitians and administrators
Attendance: 200
Date: September 27, 2001
Location: Athenium Hotel, Detroit, MI

Effective Diabetes Care for Adults 2000
Topic: Polypharmacy and Diabetes

Audience: Nurses, dietitians and administrators
Attendance: 200
Date: September 27, 2000
Location: MSU Management Education Center, Troy, Michigan

Diabetes Day 2000: A Springboard to Action
Topic: Update on drug therapy
Audience: Patients with diabetes
Attendance: 200
Date: April 29, 2000
Location: MSU Management Education Center, Troy, Michigan

Conference: Contemporary approaches to anticoagulation disorders.
Topic: Aspirin, Ticlopidine, Clopidogrel, and Warfarin in primary care.
Audience: Pharmacist, Physicians, Nurses, Administrators from US and Canada
Attendance: 400
Date: March 1999
Location: Dearborn, Michigan
